Bingo Outing

On September 22, activities took residents on an outing to Hardin Senior Center for lunch and Bingo. Residents had a great time and most won at least one Bingo game. We plan to keep this a monthly outing.

October 2022

A Special Day

What a special and fun day it was! Members of the White Hall Drag-O-Way group made a call and asked if our residents would enjoy them driving some of their classic cars over for a car show. What a pleasant surprise! Thursday, Sept 15 a large number of cars started pulling into our parking lot.

Make a Difference Day
Even the smallest act of kindness can change someone's day. Do what you can on Make a Difference Day, the fourth Saturday in October.

Thank You to St. Norbert's School for Visiting With Us

Remember the Kid in You

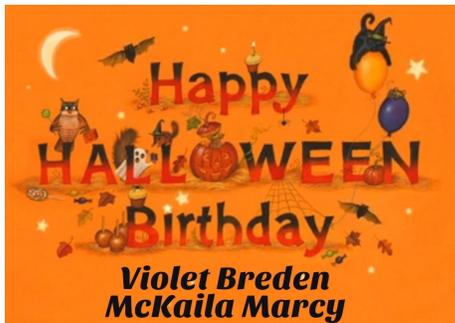

"There is a child in every one of us who is still a trick-or-treater looking for a brightly lit front porch." —Robert Brault

RESIDENT BIRTHDAYS

Burma Jones	Oct 5
Paul McAdams	Oct 9

Time To Update Wardrobes

With cooler weather right around the corner, now is a good time to update your loved one's wardrobe. Please make sure that he or she has plenty of warm clothing as well as a jacket or sweater. When doing this, please remove any out-of-season clothing. Thank you!

Taco'bout a Selfie

September was National Taco Month and the staff and residents celebrated it with a selfie booth and chowing down on some tacos!

Celebrating Our Therapy and Dietary Departments

*National
Physical Therapy
Month*

Every October we celebrate National Physical Therapy Month and National Healthcare Food Service Week to acknowledge the quality of care and compassion our staff in these two departments give 365 days a year.

Our therapists work to improve the quality of life for our Residents and our Short Term Rehab guests. Regular physical activity is one of the best things that you can do for your health. Here at CNRC, our group utilizes modality equipment in combination with regular therapy techniques to help improve the functioning of their patients. Thank you, therapists, we celebrate you this month, and we appreciate you all year!

Healthcare Food Service Week was established to honor food service professionals who help residents/patients stay well nourished & healthy. They are a critical part of the day-to-day operations. Not only do they prepare healthy meals, they also prepare meals for residents with strict health needs. Behind the scenes, they maintain the kitchen's high standards of cleanliness - while managing the huge inventory of food for hundreds of meals/snacks. Thank you to Addie Rhoades and her team! We value you & appreciate all you do for the residents and your co-workers!
