Celebrating Our Executive Director

Long Term Care Administrator's week was March 13-17th. CNRC couldn't let it slip by without celebrating Kyle Baalman, our Executive Director!

Kyle has been our fearless leader for almost a year. Anyone who knows him would attest that he has high expectations, simply because he wants the best care possible for our residents. But those high standards are accompanied by a warm personality, infectious kindness, and a true heart for others. He not only cares about our residents - he cares about his staff and the entire community we serve.

We are incredibly blessed to have Kyle guiding us at Calhoun Nursing & Rehab. We couldn't ask for a more dedicated leader, and we are so grateful for him.

HAPPY LONG TERM CARE

ADMINISTRATOR'S WEEK

April 2023

It's That Time Again!

The seasons are changing, and the time has come to update your loved one's wardrobe. Please be sure that he or she has clothing appropriate for the season. When you bring in new items, please also remove any clothing that is out of season or has been worn or damaged. This will make finding the right clothes for the right season that much easier. Make sure the new items get inventoried. Thank you!

Celebrating Mardi Gras

Here at CNRC we decided to celebrate Mardi Gras and we had fun! We held a parade and a Masked Ball with king cake of course!

The French name Mardi Gras means "Fat Tuesday," from the custom of using all the fats in the home before Lent in preparation for fasting and abstinence.

Mardi Gras is about music, parades, floats & excitement. It's one big holiday in New Orleans and I think we'll make it a fun day yearly for us too!

Another Year of
Mardi Gras

RESIDENT BIRTHDAYS

Jacqueline Haug April 14
Judith Killebrew April 28

EMPLOYEE BIRTHDAYS

Thank You

We want to thank each of you for your dedication, loyalty and compassion to the residents and the team here at Calhoun Nursing & Rehab. We appreciate you and look forward to many more years with you!

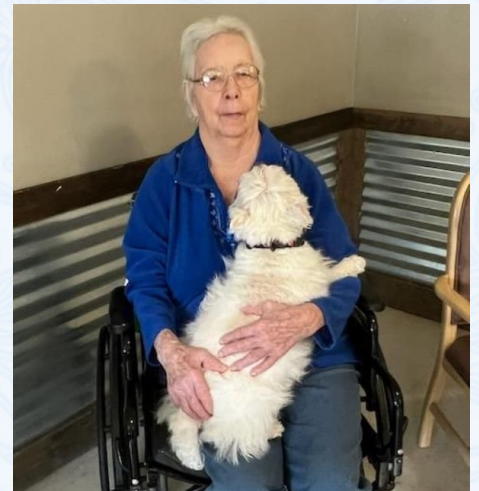

We Are Family

Give your brother or sister a hug during National Siblings Day on April 10.

Pet Therapy

"Petting, scratching, and cuddling a dog could be as soothing to the mind and heart as deep meditation and almost as good for the soul as prayer." - Dean Koontz

Thank You, OTs!

April is Occupational Therapy Month, a chance to recognize the role of these important health care workers. Occupational therapists make daily life easier for everyone in their care, and our ongoing gratitude goes out to them!
