## Thank a Nurse

Take the time to give a heartfelt thank-you to our nurses for their hard work and care during National Nurses Week—and every week!

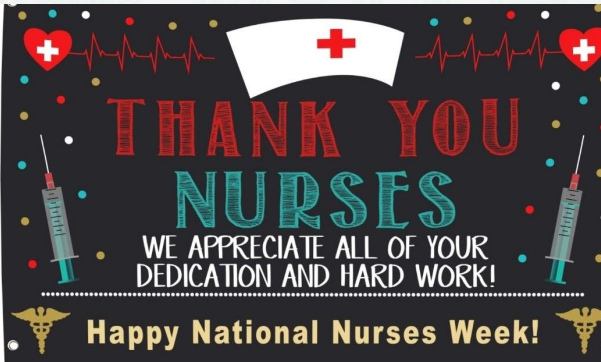

## Motivation From Mom

"A mother's love is the fuel that enables a normal human being to do the impossible." — Marion C. Garretty

## National Nurses Week

NURSES see the world in its most raw, inexplicable, unfair form of reality, and somehow, by the grace of their inherent hope for humanity, and unmeasurable depth of courage, STILL LOVE IT!

Once a year in May, National Nurses Week is celebrated worldwide. It recognizes the incredible work they do in caring for others in the healthcare industry. It is celebrated between May 6, National Nurses Day, and May 12, the birthdate of celebrated nurse Florence Nightingale.

Here at CNRC we value and honor our nurses for all they do! This year's theme is "You Make A Difference" and they truly do!

While every day is a great day to celebrate nurses, we want to share our deepest gratitude for our nurses and all nurses in our local and surrounding areas. Thank you for your compassion, courage, and empathy!

To our Calhoun Nursing & Rehab Nurses: Thank you for the difference you make every single day!
