BEAUTY SHOP IS BACK

After a long hiatus due to COVID-19, we are pleased to announce that our Beauty Shop is back up and running. Jessica Hill from Godfrey has accepted our invite to come service the residents. She has been coming the last few weeks and we are so pleased. She has just recently expanded her services and has not yet set actual dates and times. She is seeing what the resident demand is and what services they prefer and frequency.

At this time, just give a call to Lea Miller at the facility and she will let you know the schedule.

Fall Fishing Trip

We took advantage of a beautiful fall day and headed out to Pere Marquette State Park on a fishing trip. Our catch was small, but we had a good time. Thanks to Scott, Randy & Ross for helping us out.

Dear Lord,

Grant Me The SERENITY To Accept The Size Of The Fish I Catch, The COURAGE Not To Lie About It, And The WISDOM To Know That None Of My Fishing Buddies Would Believe Me Anyway...

A Turkey Myth

The familiar urge to take a snooze after Thanksgiving dinner is often blamed on tryptophan, an amino acid in turkey. But experts say the real culprit is overeating. To digest a piled-up plate (or two!) of food takes a lot of your body's energy.

October Employee of the Month

Justine Eilerman was chosen as Employee of the Month for October. Justine is a Physical Therapist and has been with the facility for over 12 years. She always goes above and beyond with the residents. Thank you for your loyalty, dedication and all you do for the residents and your co-workers.

Who Wants a S'more?

Fall wouldn't be fall without the roasting of warmed marshmallows and chocolate pressed between two graham crackers. Of all the things, they have come up with a method of doing it safely inside so you can have them at any time. It was a big hit with residents & staff!

Recognition for Veterans

On Veterans Day, Nov. 11, America comes together to honor and thank veterans for their service in the nation's armed forces.

Check our calendar for the time & location for the honoring of our Veterans.

Home for the Holidays

The holiday season is upon us, featuring lots of festive celebrations! If you are planning on taking your loved one home for the holidays, please call or stop by the front desk to let us know the dates and times they will be out of the building. Our residents' safety is our top concern, and it is important that we know about your plans in advance. Thank you!

Happy Thanksgiving

May the bounty of the season fill your heart.
