A Little Nostalgia

Severine Baalman, former owner of the Hardin Drive-In, visited the cafe to enjoy lunch with his daughter, Kim Baalman, and granddaughter, Mandi Eickmeyer, before the old building was torn down to move into the new building. Cassie Kamp and Angel Gibson assisted with getting Severine to the Drive-In and joined them for lunch.

Love Lunch Enjoyed for Valentine's Day

Joe Sievers and wife, Violet, are pictured getting ready to enjoy the Love Lunch served on Valentine's Day. Our Dietary Dept. went all out serving Steak Kabobs, Shrimp, Rosemary Potatoes, Steamed Cauliflower or Broccoli, Slaw and Cheesecake.

Celebrating Mardi Gras

Residents enjoyed Mardi Gras while enjoying some King Cake. Wearing masks, a traditional part of Mardi Gras resulted in some good chuckles and a lot of fun.

Valentine's Day

Love and fun was in the air on Feb. 14th. Mr. Heartthrob made an appearance and made the rounds visiting staff and residents spreading smiles and love. Refreshments were enjoyed at the party.

Try Your Luck

"Be humble. Be nice to people. And you might be ready to be lucky." —Zoey Deutch

National Social Work Month

March is National Social Work Month and we want to express our gratitude for all that our Social Service Director, Holli McGuire, does for the residents, families and being a great co-worker.

Holli has been in long-term care for 23 years. She says her favorite part of the position is the interaction with residents and their families. "Being able to help them and make their day a

bit brighter is my reward," said Holli, "I love being an advocate for my residents and this is what the role in Social Services allows me to do."

Employee of the Month

Belinda Shaw is our Employee of the Month for February. She is a Restorative Aide and has been with us for 28 years. Thank you for all you do!

Enjoying Carrot Cake—A Favorite

National Carrot Cake Day was Feb. 3 and you bet we celebrated it! Any reason to eat cake sounds good to us!
