Shining Star

Residents voted Courtney Eilerman, RN as the Employee of the Month for March. Courtney's genuine kindness and compassion for ensuring the residents receive quality care are so appreciated and admired. Thank you, Courtney, for taking such good care of our Residents and for being a great co-worker.

A Day With a Twist

April 26 is National Pretzel Day, a time to celebrate pretzels of all shapes and sizes. If you can't decide which is your favorite, try mixing a variety of different types of pretzels in a big bowl. The best place to celebrate might be Freeport, Ill., which is known as Pretzel City, USA, home of the Billerbeck Bakery pretzel company, founded in 1869. The Freeport High School sports teams are called the Pretzels.

Keep Kitties Safe From Lilies

Lilies are lovely spring flowers, but keep them out of your home if you have cats. All parts of the plant are dangerously toxic to cats, who can get sick even from licking pollen off their fur or drinking from a flower vase. This warning includes all members of the lily and daylily family.

We celebrated National Pi Day with apple pie of course. Who doesn't love apple pie, an American favorite?!

"Falling asleep while the rain is clashing down on the window is nature's best lullaby."
